

1st Saturdays

CAREERS IN FOCUS

Engineering

May 2, 2015
11 a.m. - 4 p.m.

Harold Washington Library Center

YOUmedia

400 S. State St.

chipublib.org/youmediateens

Are you a **high school teen** interested in learning about the professional world of engineering?

If so, CPL Teen Services and YOUmedia invite you to attend this event centered around careers and opportunities in the engineering industry to

- **Take on design challenges with the help of professional architects and designers and win prizes!**
- **Get connected to engineers, architects, and inventors.**
- **Explore engineering programs, careers, and opportunities to jumpstart your pathway to engineering.**

Register today at Eventbrite <http://bit.ly/1Ei28Za>

Lunch will be provided.
